## SCHOOL BUS PASS CONSEQUENCES

A consequence is not a punishment. Consequences encourage and guide learners to make better choices by learning from their mistakes. It is meant to be a positive response that is supported by the learner's family and the school working together. School Bus rules are in place for the safety and well-being of everyone who travels on the bus.

### RECORD OF CONSEQUENCES

	Term 1	Term 2	Term 3	Term 4
Number of Consequences				

### THREE CONSEQUENCES = 1 DAY OF THE SCHOOL BUS

Please note, that an immediate consequence will be given for fighting and verbal abuse.

### IMMEDIATE CONSEQUENCE = 3 DAYS OF THE SCHOOL BUS

### RE-ENTRY PROCEDURE

If a learner is given a consequence a re-entry meeting is needed before school bus travel is permitted. The learner and a parent/carer will meet with the Principal.

### REWARDS

All learners who do not receive a consequence will receive a reward every 5 weeks.

### SCHOOL BUS PASSES WILL BE ISSUED EACH TERM.
