

15 September 2021

Dear Parents, Caregivers and Families

I want to thank you for your unwavering support of St Mary's Primary School throughout these unusual and uncertain times.

We understand that families may be experiencing financial hardship due to the Stay at Home Orders. Throughout this recent lockdown we have witnessed many families in our school community experience financial hardship.

Any family experiencing COVID related financial hardship at this time may apply for fee relief or deferral of school fees. This includes those on payment plans.

Please contact the school or Parish Office to discuss your circumstances and options. Please understand that you may be requested to supply some supporting material for your application.

Once again, I thank you for your continued support.

A handwritten signature in black ink, appearing to read "N Slingsby", is written in a cursive style.

Acting Principal

Mrs Nadine Slingsby
