

ST MARY'S MESSAGE STICK

Monday September 07 2020

2021 STAFFING NEWS FLASH!

Giinagay Families,

Nadine Slingsby has been officially appointed as the **first full-time Assistant Principal** at St Mary's Primary School, Bowraville. Nadine will continue working here three days a week for the remainder of the year and will start working in her full capacity at the commencement of 2021.

This is incredibly exciting news for our students as Nadine brings a wealth of experience as well as a high level of learning and teaching expertise. Importantly, when Nadine's appointment was announced at our Morning Assembly today the students were very happy about "Miss Nadine" helping them with their learning next year. They gave her their resounding endorsement. Nadine will be an invaluable member of team St Mary's.

I would also like to thank the Diocese of Lismore Catholic Schools Ltd for making this important appointment possible by providing ongoing support and funding for our school.

Congratulations Nadine!

Yours in Faith,

Warren Niethel
Principal
